

Become a permanent part of Glenwood's Lakewalk

with the purchase of an engraved, personalized paver!

Glenwood & Beyond, a 501(c)(3) non-profit organization, sells engraved, personalized pavers as a fundraiser for their community beautification projects.

Pavers are 5" by 10" and are located at various nodes by Lake Minnewaska in Glenwood (see order form for more details). Pavers are \$150.00 each and will allow space for three lines of lettering, 17 characters per line.

If you would like to order a paver, please complete this form or visit our website at www.glenwoodandbeyond.org/pavers.

Note: Location and placement of each paver within each node is random. Paver installation is dependent on weather and the availability of our contractors; pavers will be placed as soon as possible but we do ask for your patience.
